

Коробка подарочная, белый, 16x24x4см

арт. 20409/01

Методы нанесения: тиснение фольгое, тиснение блинтом,  
шелкография по плоским поверхностям ( в один цвет)

The diagram shows a large rectangular area representing the lid of a gift box. It is bounded by a thin blue line. Inside this area, there are two vertical red lines, one on the left and one on the right, which define a narrower central section. The text '220x140мм' is centered in the middle of this central section, and '210x140мм' is centered below it.

220x140мм
